

## LIFE GROUP DISCUSSION QUESTIONS

Greater Than Series, Week 1

**Personal preparation:** Read the passage, review your outline and think through the following questions.

### CONNECTING WITH EACH OTHER

1. What have been some of the more surprising things you've seen over the past week as you've observed how people are reacting to COVID-19? What are you learning about human nature? What have you learned about your own human nature?

### GROWING AS A DISCIPLE OF JESUS

2. Ryan opened his message by making the point that we must live in the tension of making decisions based on faith and wisdom. How do you manage that tension in your life? How has that management affected your actions regarding COVID-19?
3. Ryan pointed out that the disciples did, or needed to do, three things - (1) Recognize their need; (2) Reaffirm their trust; (3) Recognize Jesus' sovereignty. Which of those seemed to be the most significant for you as you listened to the message? Why?
4. Were there any other things that Ryan shared that were meaningful for you? What were they? Why were they significant?

### SHARING IN THE LIFE OF JESUS

5. How would you like your group to pray for you this week?
