Engaging with the Scriptures

2. After having listened to the message, and after having read the passage together as a group, discuss some of the bigger themes you see in the text. Here are some questions that might help get the discussion going:
 - a. Do you see any recurring emphases?
 - b. How would you compare and contrast King Belshazzar and Daniel?
 - c. What are your thoughts on the fact that we haven't heard from Daniel in over 40 years? What do you think Daniel's been up to during this time?
 - d. What does King Beshazzar teach us about ourselves?
 - e. What should we be learning from Daniel's life?
3. Of all the things your group discussed, which one or two seem to be most important for you right now? Why?

4. What is a practical thing you can do to put feet to the way the Spirit is speaking to you?
