LIFE GROUP DISCUSSION QUESTIONS
ANNUAL MEETING WEEKEND
WE ARE HERE
JOHN 15:1-17

Engaging with Each Other

1. Would you rather be the funniest or smartest person in the room? Why?

Engaging with the Scriptures

2. What is your typical response to God's pruning? How do these statements from the message influence your thinking about being pruned:

"Faithfulness doesn't allow you to avoid pruning, it positions you to receive it."

"Pruning is often preparation for greater blessing and increased fruitfulness."

"Seasons of pruning are no time for hope to die, but rather time for new dreams to come to life."

Ideally, how would you like to think about and respond to God's pruning?

Engaging the Scriptures with Life

3. In seasons of pruning, God calls us to three things. What are they?
 - For the first of the three - how have you been allowing the Scriptures to come and dwell in your hearts these days? What verses have you been thinking a lot about? Which have been particularly meaningful to you? Why? Also, what new lessons has God been teaching you concerning what it means to love others?
 - For the second and third of the three - What are some things that your group doesn't already know about that you are prayerfully anticipating? (In other words, what are some current things that you are trusting God for?)
4. How will you apply this week's text? How does this week's text help you think differently about obedience?
