DANIEL 8

Engaging with Each Other

1. What's the strangest place someone recognized you?

Engaging with the Scriptures

2. Early in the message Ryan made a statement describing the greatest danger we face in the Christian life. What was that statement? In what ways is this an encouragement and a warning for you?
3. Ryan then gave us four ways from Daniel 8 which help us stay true to Christ even as we are constantly being drawn to the beasts of this world. As a group, name those four roadmaps to faithfulness, if you will, and discuss these two things: (1) How each is encouraging or challenging for you at this moment in your life, and (2) What is one thing you could do this week as a way of responding to and applying each of them?

Engaging the Scriptures with Life

4. Choose one of the four things you thought of as possible applications and let your group know what it is so that they can pray for you this week and ask you next week how things went.
