2. When you hear the phrase “The Pursuit of God,” what thoughts come to mind? Why?
Some additional things to consider as you process your thoughts and an answer -
 - Are they burdensome and legalistic thoughts? Why?
 - Are they joyful and freeing thoughts? Why?
 - Is it something you feel obligated to do or that you want to do? Why?
3. What does it look like for you to pursue God at this stage of your life? (“This stage” could be where you are spiritually, financially, chronologically, emotionally, physically. It could be that you consider one or more or all of these areas as you think about how to respond.)
Consider also -
 - Is how you pursue God different today than it used to be? How so? Why?
 - Are there any things that used to work but no longer work? What are they and why do you think that is?
 - How has your spiritual growth affected the way you pursue God over the years?

Engaging the Scriptures with Life

4. What is one thing you can do this week to show God that you care about pursuing Him as well?
